A Charming 3 Bed 3 Bath Semi-Detached Neptune Deluxe Villa on a Corner Plot

This beautifully maintained semi-detached Neptune Deluxe-style villa sits proudly on a spacious corner plot, offering privacy, versatility, and plenty of potential. The property comes partly furnished and features A/C throughout, ceiling fans, equipped with 10 solar panels providing efficient and eco-friendly electricity throughout the home and a log burner for year-round comfort.

As you approach the villa, you're welcomed by an inviting open front terrace, perfect for enjoying your morning coffee or evening breeze. The exterior offers off-road parking, an underbuild for storage, and ample space to add a private pool, making it ideal for both full-time living and holiday use.

Inside, the home features a bright and airy open-plan living and dining area, complete with air conditioning and a cozy log burner, creating a warm and welcoming atmosphere. The fully equipped kitchen offers generous counter space, plenty of storage, and convenient access to the outdoor areas.

On the main level, you'll find two spacious double bedrooms — the master bedroom benefits from its own en-suite bathroom, while the second bedroom is served by a family bathroom.

External stairs from the kitchen lead up to the third bedroom, which has been tastefully converted into a self-contained apartment. This space includes a kitchenette, en-suite bathroom, and access to a private roof terrace where you can relax and take in the stunning views of the mountains and surrounding countryside.

The property also holds a tourist license, making it fully legal and ready to rent out — just as the current owners successfully do. This villa truly offers a wonderful blend of comfort, charm, and investment potential — a perfect home for those seeking space, privacy, and the Mediterranean lifestyle.
